Education Notes – News from Schools

North Star was featured in the Education Notes section last week! Please read the article below. We are very proud of North Star's academic achievements!

• Four students at Minnesota North Star Academy, a St. Paul charter school for deaf and hard-of-hearing students, have received national recognition this year. **Shannon Boelter** placed second nationally in an American Sign Language competition; **Jared Treichel** took third place in the high school division of the National Science Fair for Deaf and Hard of Hearing Students; and **Brienna Herold** and **Scott Symes** received honorable mention in the team division at the science fair.
